

**TwinTech® FrostFree® fridge freezer with FreeStore for longer freshness**

Electrolux TwinTech® FrostFree technology with FreeStore® guarantees an optimal humidity level in the refrigerator. Food keeps its fresh taste and texture for much longer thanks to the independent air cooling systems of the fridge and the frost free freezer.

**Product Benefits & Features**

**Maintain the ideal storage conditions effortlessly**

The LCD display and Touch Controls put temperature and function settings at your fingertips, so your food and wine maintains its ideal temperature.

**Look into every corner of your fridge freezer with modern LED light**

Check out the contents of your fridge freezer using premium LED technology. This energy-saving lighting system gives you excellent visibility.

**Refrigerator that keeps your vegetables fresh and crisp**

If you store your fresh food in this fridge's drawer, the humidity control will make sure that the texture of every item remains fresh, preserving that crisp and juicy sensation.
