

Split Air Conditioner – ES24K18BCCI

CoolBlaster

The new Electrolux CoolBlaster with the unique TurboCooling System is built to endure extreme weather conditions. At Electrolux, we are striving to create products that continuously improve the well-being of you and your loved ones.

Outdoor Model: ES24K18BCCO

Specifications

Key Benefits

3D Air Flow

Combines Vertical and Horizontal auto swing to ensure an even distribution of air throughout the room.

Extreme Climate Durability

A powerful compressor in combination with the Blue Fin coating ensure your air conditioner will stand up to harsh climates

Self Diagnosis

System will shut off in case of unexpected failure while simultaneously displaying an error message on the panel.
