

A tailored treatment, everything accommodated

By completely tailoring the compartments inside our dishwasher, everything can fit in at once. The unique foldable racks and liftable basket mean you can reconfigure inside the machine to suit all shapes and sizes.

Product Benefits & Features
The dishwasher that gets dishes clean and ready in half the time

The convenient Time Manager function lets you reduce the dishwasher's cycle length by half, so your dishes will be ready for use whenever you need them. Ideal when you're having guests.

Run your dishwasher whenever it suits you

This dishwasher gets to work when you want it to. With its Delay Start function, you can load it when you want to and program it to start at the time that suits your schedule. You can delay the start by up to 24 hours.

The dishwasher that adapts to what your dishes need

The dishwasher's smart AutoFlex function optimises water and energy use by adapting consumption and temperature to what the load size and soil level need for thorough cleaning.
