

VELO

MERRYFAIR®

Seating Products

Seating Excellence at Work

The Velo product family offer four models in the range to meet different needs and budgets in a workplace.

Backrest Height

Medium backrest with headrest, medium backrest and low backrest. All comes with our charcoal color back cover.

Armrest

Standard or soft PU foam pad with three dimensionally adjustable or non adjustable fixed armrest.

Type of Upholstery

Seat and backrest covered in leather or synthetic covering for premium model or seat covered with fabric and backrest covered with the mesh fabric for standard model.

Mechanism

Standard advanced Synchro mechanism provides Side Tilt tension control, multi- position Tilt lock, and pneumatic seat height control.

Velo offers three backrest heights, two types armrests and two types of upholstery.

Headrest

Fixed Cushion Headrest, consists of 38mm extra soft sponge to give optimal support to the user.

Polyester Mesh

Provides elastic support, yet allowing ventilation for airy comfort.

Armrest

Come with 4-way armrest adjustable for height, width, depth and swivel angle. Armrest in black, of molded polyurethane with steel insert. The fixed armrest molded by black polypropylene (100% recyclable).

Base

350mm Five-strong base of diecast aluminium alloy (100% recyclable) in polished finish. 50mm dual-wheel castors of moulded polyamide (nylon).

Backrest

Black outer shell, grey inner shell, supported by a aluminium backbone in polished finished. The back frame made by black polypropylene (100% recyclable)

Mechanism

Advanced Synchro mechanism provides Side Tilt tension control, multi-position Tilt lock, and pneumatic seat height control. The movement of the seat and the backrest are coordinated and correspond to body movements. The tilt tension is infinitely variable and adjusts to body movement to prevent the feeling of falling backwards.
