

ENN2801EOW Combi Bottom

Refrigerator that keeps your vegetables fresh and crisp

If you store your fresh food in this fridge's drawer, the humidity control will make sure that the texture of every item remains fresh, preserving that crisp and juicy sensation.

Look into every corner of your fridge freezer with modern LED light

Check out the contents of your fridge freezer using premium LED technology. This energy-saving lighting system gives you excellent visibility.

A new shelf design that removes restrictions to loading the fridge

Thanks to their new design, these glass shelves give you extra width and depth when packing the refrigerator. With fewer restrictions, you have more flexibility.
