

**A spotlight on your food / For total cooking visibility**

Never miss a thing with the 600 LEDSpot Hood. Thanks to the integrated lighting, you can clearly see how your food is cooking on the hob. And it has been specially designed to be energy-efficient and long-lasting.

Product Benefits & Features**A wider view on cooking**

This extra wide island cooker hood covers the entire hob surface, even if you have an extra wide model.

- Installation type: Island, width 90 cm
- Number of speeds: 3
- Air extraction capacity (high/low): 600 / 295 m³/h
- Maximum noise level (high/low): 68/50 dB(A)
- Push button controls with 3 speeds
- Air extraction or recirculation possible, if charcoal filter (optional accessory) installed.
- Cooker hood lamps type and number: LED spotlight, 4
- Grease filter type and number: Aluminium Cassette, 2

Cleaner air all round

This advanced cooker hood features a powerful motor that whisks away cooking fumes quickly. So you can enjoy a cleaner atmosphere for cooking, eating and relaxing.

**More visibility, less energy**

Energy-efficient LEDs are ideal for sociable areas like the kitchen, where lighting is used frequently and for long periods of time. Bright, long-lasting and incredibly energy-efficient, they're an essential feature in modern homes.

**Clean filter, clean air.**

This filter provides continually effective protection for your kitchen. And, because it's fully washable, it works to provide cleaner air in your kitchen for even longer.

Product Specification
