

A bigger oven, for more flexibility

Enjoy cooking for a crowd with our new, larger oven. The customisable shelf levels and large tray mean that you can change the space to suit your needs. Whether hosting a party or preparing meals for the week ahead, you can cook more at once.

Product Benefits & Features

Straightforward control – with retractable knobs and start- and end-time selection

So dinner is always ready when you want it, this interface with LED display enables you to select the cooking end-time and duration. It has retractable knobs and push buttons for access to all settings.

- Oven cavity with 3 baking levels
- Oven cavity size
- Built-in HxWxD (mm)
- Trays supplied with the oven
- Electronic oven functions overview
- Oven cooking functions

Use every inch of space inside – everything will cook evenly

Thanks to the UltraFanPlus heating system with extra-large fan and air-guide design, your dish will cook completely evenly wherever you place it in the oven.

A smooth and silent action every time you close it

When you're rushing around, and simply don't have time to close the oven carefully, this oven still closes smoothly and silently, thanks to the VelvetClosing® action.

Get a good look at your dish, without being dazzled

This oven's lamp shines towards the back of the oven to suffuse the entire cavity with light. So you get a good look at your dish, without being dazzled!
