

A tailored treatment, everything accommodated

By completely tailoring the compartments inside our dishwasher, everything can fit in at once. The unique foldable racks and liftable basket mean you can reconfigure inside the machine to suit all shapes and sizes.

Product Benefits & Features

Clean dishes always ready when you need them

Need clean dishes in a hurry? That's no problem thanks to the Time Manager feature on this dishwasher, which makes it possible to reduce the cycle time by half.

Run your dishwasher whenever it suits you

This dishwasher gets to work when you want it to. With its Delay Start function, you can load it when you want to and program it to start at the time that suits your schedule. You can delay the start by up to 24 hours.

Spotless and sparkling, in every cycle

Our AutoFlex programme with smart sensor adjusts the consumption of each dishwashing cycle to the size and cleanliness of every load. Using only what is needed so that all dishes emerge spotless. No wasted water, energy or time. Just efficiently sparkling, every time.
