

**Clear the air, quickly and efficiently**

When you want your kitchen air cleaned quickly, you want the 600 ExtractionTech Hood. Bolstered by a powerful motor that offers two speed options, you'll never struggle to remove unwanted smells or fumes in the kitchen again.

Product Benefits & Features**Keep kitchen air clean with this powerful Hood Motor**

This powerful, advanced Hood Motor ensures that your kitchen remains free from unwanted fumes and cooking smells. It clears the air quickly and efficiently.

**Long life and great lighting – let LEDlights lead the way**

Enjoy expert illumination while you cook. Our LEDlights use far less energy than other lights and provide excellent visibility in the kitchen, ensuring you cook with greater confidence and agility.

**Standard grease filter for a clean kitchen**

Our reliable grease filter means you can always enjoy a clear cooking space. When a new filter is required, it can be easily washed or replaced. Your kitchen will be cleaner for longer.

Hood control at the push of a button

Enjoy total hood-control at the push of a button. Simply press to increase or decrease the hood's power, so you can experience a clear cooking environment.
