

**Meeting your needs**

By combining a gas hob with a gas oven, you can enjoy a capable cooker that will effortlessly meet all your requirements and cooking habits.

Product Benefits & Features**Kebabs cooked to perfection**

The specially designed rotisserie turnspits provide enough space to roast six large kebabs at the same time. The automatic turning mechanisms ensure your meats are browned to perfection, yet succulent and juicy inside.

**Easily fired up**

All it takes to start up this hob and oven is a simple twist of the knob whilst pressing down the knob, so the flame will be sparked.

The oven that helps you clean it

This oven actually helps you to get it clean. The cavity has a clever catalytic coating that absorbs and oxidises grease, so cleaning is easier.

Product Specification

Color	Stainless Steel
Height at hob (mm)	850
Height lid closed	885
Height maximum	870
Hob Energy type	Gas
Oven Energy Source	Gas
Total electricity loading (W)	29
Voltage	220-240
Required Fuse	16
Country of origin	EG
Dimensions HxWxD in mm	885x900x600
Net Weight	64
