

Silence Pro System™ for quieter cleaning

Clean without noise. The SilentPerformer™ Cyclonic is built with silence in mind. A noise-optimized motor, together with the construction of the canister and the new DustPro™ silent nozzle ensures quieter cleaning – without compromising on performance.

Product Benefits & Features

Clean Air Filtration™ for healthier and allergy friendly home

With a hygiene or an allergy plus filter, the SilentPerformer™ Cyclonic is perfectly equipped to take care of allergens and other pollutants in the air. So you can be sure to feel at home even if you are more sensitive to your environment.

- Manual power regulation
- Power regulation
- Silence Pro System™
- Integrated parking slots
- Clean Air Filtration™
- DustPro™ nozzle
- Telescopic tube

Easy Empty™ system for quick and hygienic emptying

Keep dust outside of your home for good. The Easy Empty™ system lets you conveniently clear out all the dust you took up while caring for your home so that you can keep it completely dust-free. Simply take out the container and empty it over a dustbin outside.
