

**Crisp frying with air, not oil**

Why compromise on crunch when you can enjoy your favourite fried foods without excess fats or greasy residue? The air fryer's secret is to rapidly circulate high temperature, so food is quickly sealed, keeping the outside crispy and the inside tender and juicy.

Product Benefits & Features**Easy cooking, easy cleaning**

The air fryer is not only user-friendly when you're cooking, it is also easy to clean with a removable dishwasher-safe frying basket.

**Compact three-mode cooking**

More than healthy frying, this versatile air fryer also roasts and grills to perfection, oil free. That's three cooking modes all in one compact appliance. Now that's multi-tasking.

-
- Timer
 - Detachable frying basket
 - Dishwasher safe frying basket
 - AutoOff

Product Specification

Main colour	Grey
Net product weight (kg)	4.8
Controls	Manual
Depth (mm)	329.5
Depth (mm)	332
Height lid closed	374
Height (mm)	375
Main material	Plastic
Installation type	Freestanding
Product type	Air fryer
Width	282
Gross product weight (kg)	5.65
Width (mm)	332
Temperature range (°C)	80-200
Total wattage (W)	1350
Included accessories	Stainless steel rack
Capacity (L)	3
